For this pattern we begin at the bottom of the space pod. The bottom is created using continuous rounds. To mark the beginning of each round place your stitch marker in the first stitch of every round.

With your size 8.0mm crochet hook and chunky yarn:

Create a Magic Ring (see abbreviations for alternate method to the magic ring)

Round 1: 6 sc into the MR (6)

Round 2: * 3 sc into the first stitch, 2 sc into the next st, 1 sc into the next st * repeat from *-* (12)

Round 3: 1 sc into the first stitch, 2 sc into the next 3 sts, 1 sc into the next 3 sts, 2 sc into the next 3 sts, 1 sc into the last 2 sts (18)

Round 4: 1 sc in the first 2 sts, 2 sc in the next, 1 sc in the next, 2 sc in the next, 1 sc in the next, 2 sc in the next, 1 sc in the next 4 sts, 2 sc in the next, 1 sc in the next, 2 sc in the next, 1 sc in the next, 2 sc in the next, 1 sc in the last 2 sts. (24)

Round 5: 1 sc in the first 3 sts, 2 sc in the next, 1 sc in the next, 2 sc in the next, 1 sc in the next, 2 sc in the next, 1 sc in the next 7 sts, 2 sc in the next, 1 sc in the next, 2 sc in the next, 1 sc in the next, 2 sc in the next, 1 sc in the last 4 sts. (30)

Round 6: 1 sc in the first 4 sts, 2 sc in the next, 1 sc in the next, 2 sc in the next, 1 sc in the next, 2 sc in the next, 1 sc in the next 10 sts, 2 sc in the next, 1 sc in the next, 2 sc in the next, 1 sc in the next, 2 sc in the next, 1 sc in the last 6 sts. (36)

Round 7: 1 sc in the first 5 sts, 2 sc in the next, 1 sc in the next, 2 sc in the next, 1 sc in the next, 2 sc in the next, 1 sc in the next 13 sts, 2 sc in the next, 1 sc in the next, 2 sc in the next, 1 sc in the next, 2 sc in the next, 1 sc in the last 8 sts. (42)

Round 8: 1 sc in the first 6 sts, 2 sc in the next, 1 sc in the next, 2 sc in the next, 1 sc in the next, 2 sc in the next, 1 sc in the next 16 sts, 2 sc in the next, 1 sc in the next, 2 sc in the next, 1 sc in the next, 2 sc in the next, 1 sc in the last 10 sts. (48)

Round 9: 1 sc in the first 7 sts, 2 sc in the next, 1 sc in the next, 2 sc in the next, 1 sc in the next, 2 sc in the next, 1 sc in the next 19 sts, 2 sc in the next, 1 sc in the next, 2 sc in the next, 1 sc in the next, 2 sc in the next, 1 sc in the last 12 sts. (54) **At the end of this round join with a ss.**

Phew!!! Okay the bottom of the space pod is done! Do NOT fasten off. We will continue working in the round to create the sides of the space pod, but from now on we will join with a slip stitch at the end of each round. (*I increased the font size for the first part because there was a lot of numbers to follow so hopefully that made it easier for you*)

NOTE: in the next 6 rounds we are using the HDC (half double crochet) stitch.

Round 10: ch 1, HDC in the BLO in each stitch around. Join with a ss (54)

Rounds 11 to 15: ch1, HDC in each st around. Join with a ss. (54)

Yay! We have the sides of the space pod complete. Do NOT Fasten off just yet! Now we are going to move onto creating the hood of the space pod.

The hood is created by working in rows. At the end of each row do not chain 1 and turn. Just turn your work and go onto the next row. Also, we are going back to the single crochet stitch for most of the hood.

Row 1: sc in the next 26 sts. Turn. (26)

Row 2: skip over that first stitch just below your hook (*for the remainder of the rows I will refer to this as, sk 1*) and sc into the next 3 sts, sc2tog, 1 sc into the next 14 sts, sc2tog, 1 sc in the last 4 sts. Turn (23)

Row 3: sk 1, 1 sc into the next 3 sts, sc2tog, 1 sc into the next 11 sts, sc2tog, 1 sc into the last 4 sts. Turn. (20)

Row 4: sk 1, 1 sc into the next 3 sts, sc2tog, 1 sc into the next 8 sts, sc2tog, 1 sc into the last 4 sts. Turn (17)

Row 5: sk 1, 1 sc into the next 3 sts, sc2tog, 1 sc into the next 5 sts, sc2tog, 1 sc into the last 4 sts. Turn (14)

Row 6: sk 1, 1 sc into the next 11 sts, sk 1, 1 sc into the last sts. Turn. (12)

Row 7: sk 1, 1 HDC into the next 4 sts, 1 DC into the next 2 sts, 1 HDC into the next 3 sts, sk 1, 1 HDC into the last st. DO NOT Turn (10)

From here we are going to be working down the one side of the hood, around the basket, up the other side of the hood, across the front of the hood and joining with a slip stitch. We will be switching from HDC to SC stitches while we do this so watch the abbreviations carefully.

Working down the side of the hood:

2 HDC into 2 end spaces, 1 sc into 2 end spaces, ss into the base where the hood and the sides meet. 1 sc in the next 28 sts around the space pod, ss into the base where the hood and the sides meet, 1 sc into 2 end spaces, 2 HDC into 2 end spaces, 1 HDC in the next 11 sts across the front of the hood. Join with a ss. Fasten off and weave in ends.

Accent Buttons: (make 2)

With the 5.0mm crochet hook and the size 4 (worsted weight) grey color yarn:

Create a magic ring (see abbreviations for alternate method to the magic ring)

10 DC into the magic ring. Join with a ss. Fasten off and leave a long tail for sewing onto the space pod.

Sew the accent buttons onto the space pod where the hood and sides meet. I sewed mine on so they look a little 3D by squishing the outside of the button inwards slightly to make the button pop out a bit while I was sewing it on.

For a little extra accent at the front of the space pod I cut a long piece of the grey worsted weight yarn, thread it onto a yarn needle and weaved it loosely around the 3 stitches at the front center of the pod. I weaved it a few times and then tied it at the back.

That's it! I hope you enjoyed this free pattern for the Baby Yoda Space Pod! I would love to see your creations. Please share with me at:
